Color-Coded Arabic Urdu Translation

The purpose of this Color-Coded Quran in Arabic Text with a corresponding Urdu Text translation is to provide for Computers, Smart Phones and Electronic Book Readers an Urdu translation of the Quran juxtaposed to the Arabic text. It is meant to aid those readers whose language is not Arabic but who intend to understand Quran in Arabic.

Blue and red colors are alternately used for Arabic words and the corresponding Urdu words. Green color in the Urdu translation is used for comments or other words which are implied and not explicit in the Arabic Quran. Translators often use them to bring-out the meaning implicit in the Arabic Text.

The following famous and authentic Urdu translations of the Quran have been used as the foundation and reference for this work:

- * *The Urdu Tarjuma of Quran, Fateh Muhammad Jalandhry.*
- * *The Urdu Tarjuma of Quran, Syed Shabbir Ahmed.*
- * *The Urdu Tarjuma of Quran, Hafiz Nazar Ahmed.*

While arranging words and formatting sentences for effective color coding, extreme care has been taken to keep the accurate meaning and the flow of the text intact. Work has been checked multiple times including the Arabic text of the Colored Quran.
